

California Regional Water Quality Control Board, San Diego Region

Total Maximum Daily Load (TMDL) for Dissolved Copper in Shelter Island Yacht Basin, San Diego Bay

**THE PUBLIC WORKSHOP HAS BEEN RESCHEDULED FROM
NOVEMBER 17, 2003 TO THURSDAY, NOVEMBER 20, 2003 AT 1:30 PM**

Regional Board Hearing Room
9174 Sky Park Court, Suite 100
San Diego, CA 92123-4340

The Public Workshop for the Shelter Island Yacht Basin TMDL for dissolved copper has been rescheduled from Monday, November 17, 2003 to Thursday November 20, 2003 at 1:30 PM at the Regional Board office. The purpose of the public workshop is to provide an overview of the TMDL, answer questions, and receive comments from the public.

The draft Technical Report and supporting documents are available at the Regional Board office, at the above address, on weekdays during business hours. These documents can also be accessed through the Internet at the Regional Board web site <www.swrcb.ca.gov/rwqcb9>.

Parking is available at the Workshop location. See web site for map to Workshop location. The Workshop room facilities are accessible to persons with disabilities. Individuals who require special accommodations are requested to contact Ms. Lori Costa at (858) 467-2357 at least 5 working days prior to December 10, 2003. TTY users may contact the California Relay Service at 1-800-735-2929 or voice line at 1-800-735-2922.

Questions concerning this notice may be directed to either Lesley Dobalian, at (858) 637-7139, email at dobal@rb9.swrcb.ca.gov, or Christina Arias, at (858) 627-3931, email at ariac@rb9.swrcb.ca.gov
